The following Prayer was offered by the Senate Chaplain, Reverend E. E. Snow:

O, God, our Heavenly Father, we need Thy guidance and Thy wisdom. Thy book tells us that: "The wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy." We humbly pray for this wisdom.

Give us the wisdom to see the needs of our State that must be met in our Legislature. Enlarge the horizon of our vision to let our minds sweep around our vast coastlines, along the state line with our neighboring states of Georgia and Alabama. Then, O God, let our minds sweep out from our Capital City, east and west, and then sweep down across the whole State. O God, we thank Thee for every single one of the 58,560 square miles.

We thank Thee even more for the people of our State. May their voices cry out and speak to us for good government. May their prayers, and our prayers, ascend unto Thee and be heard. We are not afraid of the battle of words and minds. We rejoice that we have strong men in our Legislature who can think. We humbly pray that out of the clashing of minds and ideas the very best legislation may come. We have faith to believe it will be so. Amen.
